

Points to observe to safely have fun in the sea!

What we want children to observe

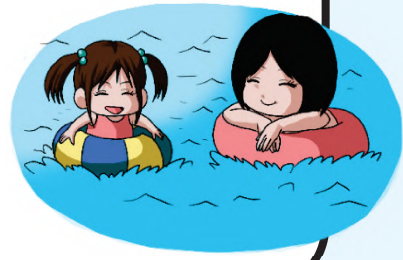

Visit the beach with an adult

In the sea, stay close to an adult

Wear a life jacket

What adults should observe

- Always stay close to your child
- If you drink alcohol, you must not swim
- Only use swimming areas at beaches with proper safety control
- Watch out for sudden large waves (freak waves)
- Check the latest weather forecast and go when the weather conditions are good

Preparation to safeguard lives

When going to the sea, be sure to tell your family, friends, and other concerned people about your plans, including destination, arrival time, and time of going home. Also, regularly update them with your current location, etc.
